

AOC POUILLY – FUISSÉ

Chardonnay grape

CHARACTERISTICS

This limpid and brilliant wine sports a beautiful golden colour with silvery highlights.

2011 offers up a ripe nose of summer fruit aromas such as peach together with subtle notes of roses and citrus fruit.

The generous, fruity mouth is also very lively. Aromas come to the fore, with mentholated and fresh wood notes.

GEOLOGY :

Northwest sun exposure

Soil: Clayey limestone

Steep hillsides of Fuissé.

Age: 65 years

AGEING :

8 months in oak for bottling the following year.

FOOD & WINE :

This wine, while still young, is a treat at aperitif time, with fish or after a few years (2/3 years) to accompany a Bresse fattened hen with morel mushrooms.
